

**Zest Dental Solutions Announces the Opening of European Sales Office in Berlin, Germany**

Carlsbad, CA – (February 15, 2019) – Zest Dental Solutions, the only manufacturer of the LOCATOR® Family of Attachment Systems and provider of clinician trusted dental materials and small equipment, announces the opening of their European Sales Office in Berlin, Germany, on February 1, 2019. This new office and team in Europe is to better support current customers, over half of whom are located outside the United States, as well as to increase clinician access to the Zest Dental Solutions Consumables and Dental Equipment products (formerly Danville Materials) throughout Europe. The company is actively looking to expand the dealer/distributor market for these products throughout Europe and looking for new distribution partners.

“Zest is an internationally recognized brand with loyal customers located throughout the European market and beyond,” says CEO, Tom Stratton. “Having an international presence allows us to be closer to all of our partners and to offer enhanced sales support for our entire product portfolio.”

Zest Dental Solutions is widely known for its innovative, functional products from its flagship overdenture attachment system, LOCATOR®, to clinical preferred restorative consumables such as Bulk EZ® and Prelude One™ and recognized dental equipment such as PrepStart H20™. Zest is currently seeking international Distributor partners with an emphasis on consumable and equipment, to further the reach of the Zest Dental Solutions brand throughout the global market.
